Welcome to the most

Luxurious Experience

"Luxury experience refer to high-end, aesthetically pleasing electrical switches and controls that are designed to enhance the visual appeal of a space. ORBIT switches are often made with premium materials, feature sophisticated designs, and may include advanced functionalities."

COMPANY OVERVIEW

"Welcome to ORBIT SWITCHES Where Innovation Sparks a Brighter World! At the heart of every switch, we ignite a promise of excellence, seamlessly blending style, functionality, and reliability. As your go-to destination for state-of-the-art electrical switches, we empower your spaces with unparalleled convenience and sophistication. Join us on a journey where every switch sparks joy, creating a harmonious fusion of technology and aesthetics for a truly electrifying experience!"

MISSION & VISION

"Lighting the Path to a Connected Tomorrow – Our vision is to pioneer a revolution in electrical solutions, illuminating a future where innovation harmonizes seamlessly with sustainability. We aspire to create a world where our cutting-edge technologies not only power homes and businesses but also inspire awe, catalyzing progress towards a brighter, smarter, and more interconnected global community."

COVER PLATES

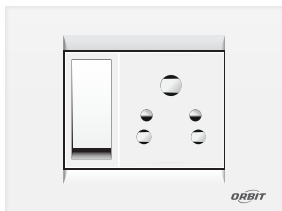

A Bold Frame of Elegance

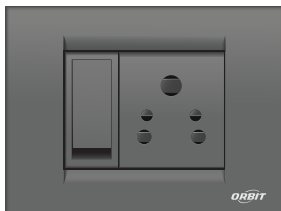

The ORBIT Cover Plate brings a bold, sculpted presence to the wall with its distinctive layered design. The striped texture adds depth and character, while the gently curved edges create a smooth, premium finish. Perfectly complementing modern interiors, it blends style and function effortlessly turning a simple switch into a refined design element.

DINGO PLATES

**Bold Texture.
Timeless Appeal.**

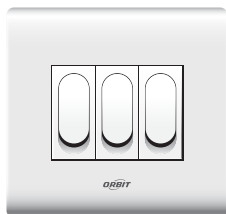

The ORBIT Dingo Plate stands out with its rich textures and bold, solid build. The subtly curved edges paired with premium finishes like wood and matte tones bring warmth and character to any space. Designed to complement both modern and classic interiors, it adds a refined, statement look while maintaining everyday functionality.

FLAT PLUS PLATES

Flat Design, Elevated Style

The GERMAN Series – Flat Plus Plate combines minimal design with a bold functional edge. Its smooth, flat surface is enhanced by uniquely contoured switches that add depth and a modern touch. With clean lines and a refined finish, it delivers a premium, contemporary look that stands out while staying elegantly understated.

DOUBLE BORDER PLATES

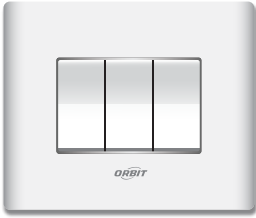

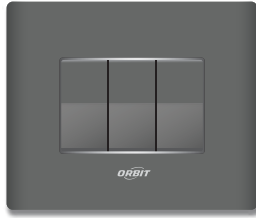

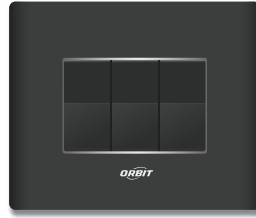

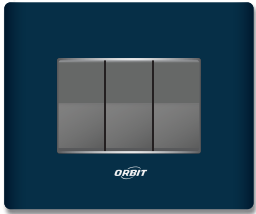

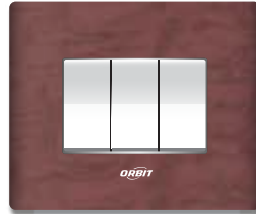

Defined by Dual Borders

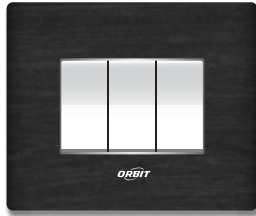

The GERMAN Series – Double Border Plate features a striking dual-layer frame that adds depth and definition to the design. Its clean lines and sharp edges create a structured, modern look, while the layered borders enhance its premium appeal. Built for a bold yet refined presence, it transforms a simple switch into a standout architectural detail.
